p. 1 c/f

D.No. 10453:- Letter No. B3.~~XXX~~ 37-384/57-58 Dt. 10-11-1961 from the C.C.F., is for perusal.

Govt. have already ordered the disforestment of 240 acres of forest land and ~~he~~ the C.C.F. has requested for further release of 480 acres of forest land at Manthige village, Hangal Tq. which is contiguous to the area now released, for rehabilitation of all the affected persons in one locality stating that in addition to the 240 + 480 acres, another 100 acres of revenue land contiguous to this Reserved Forest is available and the entire area of 820 (240+480+100) acres forms a compact block and building a new colony with all amenities for all affected ryots in one place will be economical. To compensate the release of 480 acres, C.C.F. proposes to transfer two blocks of Revenue waste lands - one of 149.64 acres adjoining the Reserved Forest and the other of 260 acres which is far away from the Reserved Forest containing rich sandal ~~XX~~ growth.

Gr. O. No. 71 FRL 00 of 25-1-61 is placed below.

16 In Government Order No.AFD 128 FGL 61 dated the 29th January, 1962, an area of 480 acres has been ordered to be disforested and placed at the disposal of the Revenue Department for being assigned to the P.W.D. for the purpose of rehabilitating the displaced persons under Dharma Reservoir Project subject to the conditions to be stipulated by the Revenue Department. In his letter of 14th Nov.1961, the Special Land Acquisition Officer has suggested that an area of 47 acres out of this 480 acres meant for the village sites may be ordered to be handed over to the P.W.D. along with the existing tree growth in view of the urgency to rehabilitate the displaced persons as quickly as possible. The Special Land Acquisition Officer has also indicated that they are prepared to pay the value of the tree growth as may be decided by the Forest Department. I have discussed this point with the Special Land Acquisition Officer and he says that the Project authorities will have absolutely no objection to pay the value of the tree growth as may be decided by the Forest Department. The Divisional Commissioner has recommended this proposal of the Special Land Acquisition Officer in his letter of 18th November 1961. In the circumstances, we may have no objection to issue directions to the Forest Department to hand over this plot measuring 47 acres immediately to the P.W.D. authorities along with the tree growth thereon after recovering the value of the tree growth as may be deciced by the Forest Department. Subject to approval, necessary

Sub:- Dharma Reservoir Project - Rehabilitation of the affected people.

....

Sir,

Out of the 340 acres of forst lands applied for in the proposals made to Government, 240 acres out of S.Nos. 66 and 67 of Mantgi, 16 of Shivalli and 60 of Kamana Halli are sanctioned by Government vide Government Order No. AFD 71 FGL 60 dated 25-1-61 for rehabilitation of the affected people of Dharma project. But this area of 240 acres of forest lands is found to be too inadequate owing to the changed circumstances, consequent on the issue of ammendment to Bombay Land Revenue rules (Rule 37F) which provides for the grant of lands not only to the displaced holders but also to the displaced tenants who were deprived due to the land. Acquisition. The land Acquisition officer, Dharma Project, Sirsi, has stated that in the G.O. No. PWD 57 SVP 57 dated 6-10-59 it has been laid down that Agricultural labourers too should be provided with lands free of cost. These facts were not in the view when original proposals for release of -- 340 acres of forest lands were submitted to Government Now an additional area of 480 acres of forest lands are required to meet the requirement. 480 acres of forest - lands in Manthiga village in forest block No.11 comprising

MYSORE GOVERNMENT SECRETARIAT
No. 9567

FOREST BRANCH

comprising of portions of coup Nos. 21,23,34,25,30,31,32 33.and coup Nos. 6,7and 8 are found quite suitable for -- conversion into Agricultural lands.

Hence in the circumstances explained above, I request that the above said 480 acres of forest land in Manthiga - village may kindly be released early.

A copy of letter No. RGT 76 dated 6-6-61.of the Special Land Acquisition Officer Dharma Project Sirsi addressed to the Deputy Commissioner, Kanara, Karwar is enclosed.

Yours faithfully,

for Chief Engineer, PWD,
Irrigation Projects.

Copy of letter No. RGT 76 dated 6-6-61 from the Special Land Acquisition officer, Dharma Project ~~Dharma~~ Sirsi, to the Deputy Commissioner, Kanara, Karwar.

Sub:-Rehabilitation - population affected by Dharma Project - colonisation scheme in Kamanhalli etc., villages of Hangal taluk. Additional lands required - report submitted.

Ref:-1) Belgaum Divl.Commissioner's letter No. FOR.SR.619 dated 11-2-1961 addressed to Dy.Commr.Karwar.
2) Govt:order No. AFD 71 FGL 60 dated 25-1-61.
3) Karwar Dy.Commr's D.O.No.LAQ.SR.9 dated 31-1-1961 addressed to the Dy.Commer,Dharwar.

...

Out of 153 families affected by Dharma Project and to be rehabilitated, it was proposed to settle 99 families at Kamanhalli colony in Hangal taluk of Dharwar Dist. as approved by the Government originally 340 acres of Forest lands in Kamanhalli-Shivalli and Manthige villages of Hangal Taluk were applied for, for the formation of the colony at Kamanhalli, apparently on the ground that only about 343 acres of Tari and Kuski lands were required for grant to Kabjedars who were deprived of lands due to acquisition. Further an area of about 44 acres of Rev. Waste - lands were available near about this place and it was therefore thought that 380 acres in all would suffice to meet the requirement of the village site, Agl.purposes etc., The Government in their order quoted 2nd above sanctioned only 240 acres of Forest lands out of 340 acres applied for. This area is found too inadequate now, owing to changed circumstances consequent on the issue of an amendment to Bombay Land Revenue Rules(Please see Rule 37F) etc., which provides for grant of lands not only to the displaced holders but also the displaced tenants who were deprived due to the acquisition. Besides in G.O.No. PWD 57 SVP 57 dt. 6-10-1959 it has been laid down that Agl.Labourers too should be provided with lands free of cost. These facts were obvisouly not in view when original proposals for release of 340 acres were submitted.

2. Now the actual requirement of lands for settling 99 families (Jangeri 38, Hoskop 30, Vadgeri 28 and Bengi 3) comprising of 41 families depending on agricultural labour, 35 tenants and 23 Kabjedars comes to 346 acres 12 Guntas of Tari and 480 acres 34 Gunta of Kuski as detailed below:-

		Tari A. G.	Kuski. A. G.
1.	Area of land required for grant to land holders and tenants - equivalent to lands required from them.	262- 24	80- 38
2.	Extant of land required for distribution to Agl.labourers(41 families at 2acs.of Tari and 4 acs.of Kuski per family.	82.00	164.00
3.	Additional lands required for grant to tenents and Kabjedras who are deficit lands holders and whose holdings has to be raised to 2acs.of Tari.&4Nos. acs. of Kuski per family.	1.28	55.36
4.	Area required for formation of village site.	—	47.00
5.	Area required for burial ground.		3.00

Con: page 2.

		1	2
6.	Area required for formation of roads. Main road 1 mile, Canal road 2½miles., Link roads.5 miles. } 8½miles.	–	60-00
7.	Belt area between forest land and lands to be released (to be left vacant as suggested by the D.F.O.)	–	30-00
8.	Additional area required to meet the affected population whose cases are under enquiry.		40-00
	Grand total.	346-12.	480-34

3. In view of the fact that the Government has already released 240acres of Forest land in Shivalli,Kamanhalli and Manthige - villages as could be seen from the sketch enclosed, lands in close proximity to the aforesaid land only will have to be -- selected in order to make it into a compact block. It is not possible to form a colony with scattered bits of lands even if available elsewhere. Already action has been taken to procure Revenue Waste lands measuring 44 Acres. comprising in S.No.11,12, 15 and 17 etc., of Shivalli village. Besides S.Nos. 12,13,14 and 15 and part of 112 of Savikeri village measuring in all 64Nos. have been applied for. In all we get a block of 348 acres. which can be easily converted into paddy fields. We require 346 acres. and old Tari land for distribution. This block of 348 acres mentioned above will meet this requirement. Now the problem is to find 480 acres of Kuski land in the vicinity.

4. The entire area round about Kamanhalli was preambulated by me along with the P.W.E. Revenue, Forest and Public Health Dept. Officers. On inspection I find that the Forest land in Manthige village comprised in Block No. XI is most suitable. The Tahsildar and Assistant Engineer, D.O.No.2 are also of the same opinion . I have therefore selected a Block of 480 acres. in Manthige village in Forest Block No.XI comprising of portions of Coup Nos.21,23, 34,25,30,31,32,33 and Coup Nos. 6,7 and 8 which is eminently suited for conversion into Agricultural lands and location of a -- village site. An area of 47 acres out of this block and existing close Manthige Hangal road has also been selected with the assistance of the senior Health Inspector, Siggon who was present at the time of joint inspection. He promises to send up his -- report to the Dt.Health Officer, Dharwar. The Dt.Health Officer has already been addressed by me to offer his remarks with regard to the suitability of the site selected for the location of the village. The entire Block of 480 acres now selected is devoid of sandalwood plants or other valuable timber trees. Coup No.6 has already been cleared of tree growth. The remaining area is covered with dead bamboo bushes and firewood trees etc., The block also contains a big stretch of level land about 100 acres in extent called Nandi Bail which does not contain any tree growth and is therefore eminently suited for conversion into paddy flats. I therefore recommend that the Govt: may -- kindly be moved to release this block of 480 acres in Manthige village for Rehabilitation of affected population.

5. In this connection I beg to point out that the Forst Dept. cannot have serious objection to part with 480 acres in view of the circumstances mentioned above if alternative Revenue lands are offered to make up the deficit in Reserve Forest in Dharwar District. To meet such objections if any I contacted the Tahasildar of Hangal and have since obtained a list of

list of Revenue lands available in Hangal Taluk that could be exchanged for forest lands now applied for. The particulars of lands that can be made available to Forest Department are given below.

Hullagaddi village S.No.	107	29-23	acres.
	108	112-35	"
	109	21.06	"
	110	31.17	"
	112	31.39	"
	113	33.00	"
	79	0.17	"
		250.17	acres.

Savikeri village S.No.	112 (Part)	17-12	acres.
	97	107-20	"
	98	3-25	"
	107	14-04	"
	111	7.11	"
		149.64	"

In case the Forest Department is very particular to get lands in exchange the above suggestion may kindly be considered. In all 410.09 acres of Revenue Waste lands are available which ~~particu-~~ practically lie by the side of Reserve Forests in Dharwar distric

6. Map showing the entire area covered by the proposed colonization scheme at Kamanhalli is enclosed.

Yours faithfully,

sd/-
Special Land Accuisition - officer Dharma Project Sirsi.

No.B3- 37- 384/1957-1958 Chief Conservator's Office,
Bangalore, dated 10-11-1961.

To
The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub:-Dhrma Reservoir Project - Rehabilitation of the affected people.

In connection with the rehabilitation of the displaced persons under Dharma Reservoir Project, Government in their No.AFD 71 FGL 60 dated 25-1-1961 have already ordered the disforestment of 240 acres of Forest land. The Special Land Acquisition Officer, Dharma Project, Sirsi has further requested to release an additional area of 480 acres of Forest land at Manthige village, Hangal Taluk, which is contiguous to the area now released, for rehabilitation of all the affected persons in one locality stating that in addition to the 240 plus 480 acres, another 100 acres of Revenue land contiguous to this Reserved Forest area is available and the entire area of 820 (240 plus 480 plus 100) acres forms a compact block and building a new colony with all amenities for all affected ryots in one place will be economical. He further says that the affected ryots want to settle on this land only and no where else and the Reserved Forest asked for comes under the command of the channel and so is irrigable. To compensate the release of 480 acres he proposes to transfer to the Forest Department, two blocks of Revenue waste lands - one of 149.64 acres adjoining the Reserved Forest and the other of 260 acres which is far away from the Reserved Forest containing rich sandal growth.

260
149.64
409.64

The Reserved Forest area of 480 acres asked for release is an organised Forest and is worked under coppice with Reserves with rab regeneration and so the portion of the area is worked and contains teak ~~log~~ rabs of poor quality with scanty coppice growth. There is also bamboo stand thick in places and scattered in other places. About 100 acres is very open. In this connection it is pointed out that the area under Forest in Dharwar District is only 8.3%. The Forest Department is not only losing Forest areas under submersion in such projects but is also asked to release further Forest land for rehabilitation of affected persons. However, since about 410 acres of Revenue waste land will be given to this Department in lieu of 480 acres of Forest land to be released and since one of the blocks to be given to the Forest Department contains rich sandal and also for the reasons stated by the Land Acquisition Officer, Dharma Project, Sirsi, I have no objection to disforest an area of 480 acres of land out of Blocks Nos. XI and XII of Hangal Range for rehabilitating the displaced persons under Dharma Reservoir Project.

A sketch of the area is enclosed for reference and return when done with.

Agriculture & Forest Dept.,
B a n g a l o r e.

S i r,

Subject:- REHABILITATION - Population affected by Dharma Project - Release of 480 Acs. of Forest Land in Manthige village of Hangal Taluk - Immediate release of Village site - Request.

Ref: (1) This office Ref.RHT.76, dated 8-6-61 addressed to the Chief Conservator of Forests, Bangalore.
(2) Ref.No. B3-37-384/57-58 dated 10-11-61 from the Chief Conservator of Forests to the Secretary to Govt. A. & F., Department, Bangalore.

- - - -

The Chief Conservator of Forests, Bangalore in his reference 2nd cited above has agreed and recommended to Govt. the release of 480 Acs. of Forest lands in Manthige village of Hangal Taluk, in Dharwar District for Rehabilitation of affected population due to Dharma Project. It is proposed to locate the village site for displaced persons in a block of 47 Acs. in the area sought to be released, as could be seen from the sketch enclosed.

2. 960 Acs. of submersible lands acquired for Dharma Project and paid for at the fag end of March 1961, could not be taken possession of so far, as alternative site for Rehabilitation could not be secured. The work connected with the Project has also been hampered as rehabilitation scheme at Kamanalli could not be completed for want of sufficent land. Now that the Chief Conservator of Forests has agreed to the release of 480 Acs. of Forest lands in Manthige village, I request you to kindly obtain early orders of the Government, at least for the immediate release of 47 Acs. out of the said block of 480 Acs. for locating the Village site. This very site has already been approved by the Public Health Department. In case 47 Acs. are released forthwith, immediate arrangements can be made to clear the area with the help of bull dozers already sanctioned by the Government, and the Village site got ready for occupation by the displaced persons. About 150 families can be provided house sites in this colony. Government have already sanctioned sufficient funds for the colonisation scheme at this place. Further, if the displaced persons are given house sites, they can shift their belongings to the new site, and also can be made to vacate their lands already acquired.

3. I further beg to point out that filling in of the gorge and can be proceeded with, if the above proposals are approved. The Forest Department will take considerable time to release the entire area of 480 Acs. after clearance of tree growth etc. Hence it is requested that 47 Acs. meant for Village site may kindly be ordered to be handed over to P.W.D. along with the existing tree growth, if necessary after obtaining payment thereof. As the land is wet now, the bull dozers will clear the area within no time, and the land can be reclaimed and got ready for Rehabilitation, particularly for putting up houses by the displaced persons.

4. In the circumstances mentioned above, I request you to kindly obtain Government orders permitting up to enter

(11) 22

upon the land meant for Village site forthwith. This will not only enable us to go ahead with the Rehabilitation work, but will also contribute ~~for~~ the speedy completion of the Project Work.

Yours faithfully,

B. Rama Rao 11.6.1

(B. Rama Rao)

AGRICULTURE & FOREST DEPARTMENT. No. 15 TAPPAL SECTION Date 22 M. G. S.

No.FOR.SR.619.
Belgaum, 18.11.1961.

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Reference (i) Letter No.B.3-37-384-57.58. dated 10.11.1961 addressed to you by the Chief Conservator of Forests in Mysore, Bangalore and copy endorsed to the Special Land Acquisition Officer Dharama Project , Sirsi and (iii) Letter bearing No.RHT.76 dated 14.11.1961 addressed to the Deputy Secretary to Government, Agriculture and Forest Department, by the Special Land Acquisition Officer, Dharama Project, Sirsi and copy endorsed to this office.

In inviting your kind reference to the Chief Conservator of Forest's letter referred to above I have to observe that the progress of the project has almost come to a stand still for want of alternative site to move the families from the submergence area. Hence, Government may kindly be moved to accord early sanction to disforest the additional area of 480 acres now recommended by the Chief Conservator of Forest from Block Nos. XI and XII of Hanagal Range for rehabilitation purpose and the same communicated early.

In view of the urgency to shift the villagers, the proposals contained in paras 3 and 4 of the Special Land Acquisition Officer Dharama Project, Sirsi's letter cited (iii) above may also be approved and the 47 acres of land required for village site from this block of 480 acres may be allowed to be made available to the Revenue Department together with the trees standing thereon after obtaining payment of cost of trees.

MYSORE GOVERNMENT SECRETARIAT
NO. 11797
FOREST BRANCH

You are aware that in this office reference 1st cited above, 480 Acs. of Forest land in Manthige village covered by Block No.XI have been applied for for Rehabilitation of affected population due to Dharma Project. These proposals have been recommended by the Chief Conservator of Forests, Bangalore to the Govt., (Please see report 2nd cited above). Now the Secretary to Govt. A.& F. Dept in his letter 3rd cited above has informed me that the matter is under active consideration of the Government. But I learn that some of the coupes covered by this Block and required for Rehabilitation are being notified for sale. If this is a fact, I wish to bring to your kind notice that lot of confusion would be created in taking possessio of the lands, as Contractors do not generally vacate in spite of explaining the urgency involved. In view of the circumstanc explained above and the Govt. letter cited 3rd above, I request you to kindly postpone the sale of any coup concerned in this case, till final orders are issued by the Government.

I would be obliged if you could kindly intimate to me the correct position with regard to sale of coupes comprising the area applied for by this office.

Yours faithfully,
(B. Rama Rao)
Spl.Land Acquisition Officer, D.P.,

No. AFD 128 FGL 61. 29 JAN 1962 Draft.

Read:-

1. G.O.No.AFD 71 FGL 60 dt.25-1-1961.
2. Letter No.DRP-20/60/TA-3 dt.6/7-10-1961. of the C.E.,P.W.D., Irrigation Projects, Munirabad.
3. Letter No.B3-37-384/1957-58 dt.10-11-1961 of the CCF.

ORDER.

In G.O.dt.25-1-61 read at (1) above Govt. have released an area of 240 acres out of S.Nos.66 and 67 of Mantgi, 16 of Shivalli and 60 of Kamanahalli. The C.E., P.W.D. has requested for the release of an additional area of 480 acres to meet the requirements of rehabilitating not only the displaced holders but also the displaced tenants in the Dharma Project area.

Issued 29 JAN 1962

2. The CCF has stated that the area of 480 acres asked for release is a Reserve forest area. It is also reported that about 410 acres of Revenue waste land is promised by the Special Land Acquisition Officer, Dharma Project, Sirsi to be given to the Forest Dept. in lieu of the Reserved Forest area that has been sought for release. The area under forest in Dharwar Dist. is only 8.3% but in view of the promise held out by the Special Land Acquisition Officer Dharma Project to give away 410 acres of Revenue waste and since this Revenue area contains rich sandal growth, the CCF has no objection for the disforestment of an area of 480 acres of land out of Block Nos. XI and XII of Hangal Range for Rehabilitating the displaced persons and tenants under Dharma Project.

p.t.o.

2

30

After careful consideration, Govt. are pleased to direct that an area of 480 acres out of Block Nos.XI and XII of Hangal Range be disforested and surrendered to Revenue Dept. for being assigned to the PWD for the purpose of rehabilitating the displaced persons under Dharma Reservoir Project subject to the conditions to be stipulated by the Rev.Dept. The tree growth, if any, on the land should be disposed of by the Forest Dept. to the best advantage. ~~of the Department.~~

The CCF is requested to take further action in the matter. and submit requisite notification for publication in the Gazette.

MYSORE GOVERNMENT SECRETARIAT
NO. 437
14 JAN 61
128 FEU
FOREST BRANCH

Ref:- Your letter No. PWD 12 MDP 61 dated 21-11-61 and dated 20th December 1961.

....

Sir,

With reference to the above cited letter, I have to state that the special land Acquisition officer, Dharma project, Sirsi has reported to the Government in Agriculture and Forest Department, that the Chief Conservator of Forest has agreed to the release of 480 acres of lands in Mantige village. Out of this 47 acres of land have been requested for immediate release for locating the village site for the displaced persons. But the Superintending Engineer, in his letter No. LND/5823 dated 11-12-1961 (copy enclosed) has reported to this office that out of 47 acres of Forest land in Mantige village, about 14acres of land have already been sold out and the clearance of timber growth in these 14 acres is expected to be completed by the end of 31-5-1962. This leaves a balance of 33acres for disposal.

In this connection it is to be stated that the filling up of Gorge portion of the Dharma dam is to be completed in this working season only and hence it is necessary that the affected people are to be rehabilitated immediately. In the circumstances explained above, I

I request you to move the Government in Forest and Agriculture Department to release the above said -- 33 acres of Forest land in Mantige village, and also to make arrangements for the early release of the balance area of Forest lands in Mantige village.

Yours faithfully,

sd/-

Copy of letter No. LND/5823 dated 11-12-1961 from the Superintending Engineer, Irrigation Investigation Circle, Dharwar to the Chief Engineer, Irrigation Projects, Munirabad.

Sub:- Rehabilitation- Population affected by Dharma Project Release of 480 acres of forest land in Manthigi village of Hanagal Taluka- immediate release of village site request.

Ref:- Government letter No. PWD 12 MDP 61 dt. 21-11-1961 addressed to you and copy to Ex.Engr. Dharma Project Division Dharwar.

...

With reference to the Government letter mentioned above I have to state that a report in connection with the immediate release of 47 acres of forest lands out of 480 acres of Forest lands referred to in letter No. RHT-76 dt.14-11-1961 of the special land Acquisition officer, Dharma Project Sirsi, required for locating the village site for getting it ready for occupation of the displaced persons, has already been submitted to you in this office No.LND/5646 dated 29-11-1961.

In the Government letter referred to above, Govt: have called for report on proposals contained in para (3) of the Special Land Acquisition Officer's letter mentioned above In this connection I am enclosing herewith a copy of the Executive Engineer, Dharma Project Division Dharwar's letter No. DRP/REH/6678 dated 30-11-1961.

From the Executive Engineer's letter it would be seen that out of the 47 acres of Forest land in Manthigi village timber growth in part of the area of about 14 acres in Coup No.11 has been already sold out by the Forest Department and the clearance of Timber growth in these 14 acres of forest land is in progress and is likely to be completed by end of 31-5-1962 and at this stage it is not possible to get this area of 14 acres of forest lands transferred from the Forest Department.

It is therefore suggested that the remaining 33 acres of the forest lands lying in Coup No. 32,33, and 8 of Block No.11 of Manthigi village organised forest may be got transferred to PWD. along with the existing tree growth, at a cost that may be finally fixed by Forest Department towards cost

cost of standing trees to be paid by the Executive Engineer, Dharwa Project Division Dharwar, to the Forest Department, as proposed by the Executive Engineer,. According to the ~~Forest~~-- Executive Engineer's report, the Forest produce in the 33acres of Forest lands, obtained after clearing the timber growth, is expected to fetch approximately the same amount which this -- Department pays to the Forest Department.

For speedy execution of rehabilitation work, the above proposal may, in your concurrence, kindly be recommended to Government for immediate release of the 33 acres of Forest - lands with standing trees in Coup No. 32,33 & 8 of Block No.11 of Manthigi village organised forest.

Very early action is requested.

Yours faithfully,

sd/-
Superintending Engineer, PWD
IIC. Dharwar.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

Subject:- Handing over an area of 47 acres out of 480 acres already released in favour of Public Works Department to rehabilitate the displaced persons affected by the Dharma Project.

AGRICULTURE & FOREST DEPARTMENT.

G.O.NO.AFD 128 FGL 61, BANGALORE, DATED, 1 FEB 1962

Read:-

1. Government Order No.AFD 128 FGL 61, dated the 29th January 1962.

2. Letter No.RHT-76, dated the 14th November 1961 of the Special Land Acquisition Officer, Dharma Project, Sirsi.

3. Letter No.FOR-SR-619, dated the 18th November 1961 of the Divisional Commissioner, Belgaum.

ORDER

In the Government Order dated the 29th January 1962, an area of 480 acres has been ordered to be disforested and placed at the disposal of the Revenue Department for being assigned to the Public Works Department for the purpose of rehabilitating the displaced persons under Dharma Reservoir Project, subject to the conditions to be stipulated by the Revenue Department.

2. The Special Land Acquisition Officer, Dharma Project, vide Reference (2) above, has suggested that an area of 47 acres out of 480 acres meant for the village site may be ordered to be handed over to the Public Works Department along with the existing tree growth, in view of the urgency to rehabilitate the displaced persons as quickly as possible. The Special Land Acquisition Officer has indicated that they are prepared to pay the value of the tree growth as may be decided by the Forest Department.

3. The Divisional Commissioner has also recommended the proposal of the Special Land Acquisition Officer vide Reference (3) above.

4. The proposal of the Special Land Acquisition Officer is accepted. Government accordingly direct that an area of 47 acres meant for the village site out of 480 acres should be handed over to the Public Works Department along with the existing tree growth, immediately in view of the urgency to rehabilitate the displaced persons, on recovery from the Public Works Department of the value of the tree growth as may be decided by the Forest Department.

5. The Chief Conservator of Forests is requested to take further action accordingly in the matter.

By order and in the name of
the Governor of Mysore,

(S.V. Prabhu)
Under Secretary to Government,
Agriculture & Forest Department.

Sir,

MYSORE GOVT. SECRETARIAT
No. 39
3 FEB 1962
AGRL. & FOREST DEPT. (TAPPAL SECTION)

Sub: Dharma Reservoir Project - Rehabilitation of the affected people.

Ref: Your G.O.No.AFD 128 FGL 61 dated 29-1-1961 and letter No.AFD 128 FGL 61 dated 29-1-1962 addressed to the D.F.O. Dharwar and copy to Chief Conservator of Forests and this office.

2. In para 3 of G.O.No.AFD 128 FGL 61 dated 29-1-1962, the Government have ordered that an area of 480 acres out of Block Nos. XI and XII of Hangal Range be disforested and handed over to Revenue Department for rehabilitation of the displaced persons of Dharma Reservoir Project and that the treegrowth if any, on the land in question should be disposed of by the Forest Department to their best advantage.

3. However in the Government letter No.AFD 128 FGL 61 dated 29-1-1962 addressed to the Divisional Forest Officer, Dharwar Division and copy to this office and the Chief Conservator of Forests on the above subject, the Government have directed to defer further action regarding the sale of Coupes in Block XI and XII of Hangal Range comprising of 480 acres to be disforested for the purpose of rehabilitation of the displaced persons and tenants under Dharma Project.
